

2023 OLEMA CABERNET SAUVIGNON SONOMA COUNTY

ABOUT THE WINE: The Olema Cabernet Sauvignon is a blend of Cabernet Sauvignon grapes hand-selected from premier vineyards in Alexander Valley and Dry Creek in Sonoma County. This deeply flavored wine features layers of fruit and a long, intense finish.

2023 VINTAGE: The 2023 harvest in Sonoma County will go down in history as a legendary growing season. Early rains were followed by a mild spring and summer. Harvest began in September and progressed steadily. The overall quality of the 2023 vintage is incredible, with concentrated flavors and great freshness.

WINEMAKER NOTES: The 2023 Olema Cabernet Sauvignon opens with a richly spiced aromatic profile, offering layers of black pepper, Christmas spice, Madagascar vanilla, and ripe cassis. On the palate, full-bodied tannins are balanced by vibrant acidity, delivering bold flavors of blackberry, baker's chocolate, and crème de cassis. The wine finishes with depth and elegance, weaving together ripe fruit, warm spice, and polished texture.
