

2023 OLEMA CHARDONNAY

ABOUT THE WINE: The Olema Chardonnay, made by Amici Cellars, is a blend produced from premier vineyards in California. A portion of the wine was aged in barrels for a rich, creamy texture with the remainder fermented in stainless steel which preserves the bright, vibrant fruit and crispness.

2023 VINTAGE: The 2023 harvest in Sonoma County will go down in history as a legendary growing season. Early rains were followed by a mild spring and summer. Harvest began in September and progressed steadily. The overall quality of the 2023 vintage is incredible, with concentrated flavors and great freshness.

WINEMAKER NOTES: The 2023 Olema Chardonnay is a quintessential California Chardonnay, with notes of Anjou pear, green apple, cinnamon stick, and wet stone on the nose. On the palate, the pear and green apple notes carry through along with caramelized pear and a roasted nut undertone, all with precise acidity that drives freshness balanced with the wine's natural density.

ALCOHOL: 13.8%

APPELLATION: California

BLEND: 100% Chardonnay

SUGGESTED RETAIL PRICE: \$15
